

FREEZER PRO FREEZER SUIT

Engineered for extreme cold (0°C to -20°C), this premium one-piece freezer suit provides full-body protection, covering the torso, arms, and legs in a single, seamless garment. Ideal for workers in food processing, storage, shipping, and logistics, this suit combines durable construction with advanced insulation to keep you warm and dry in even the harshest environments.

Material & Construction:

- Outer Fabric:
- P200D Oxford fabric – water resistant and shower proof
- Inner Fabric Options:
- Heavy Duty: Extra heavy-duty padding with a straight-stitched cotton/twill lining
- Standard: Standard padding with a straight-stitched polyester lining

Design Features:

- Front Closure: Zip front jacket for easy wear and removal
- Pockets: Two slanted pockets for convenient storage of essentials
- Fit Enhancements:
- Elasticated cuffs for a secure fit
- Loose hood for added protection
- Half elastic in the back to enhance comfort and mobility

Constructed using high-performance insulated materials such as nylon and polyester, this freezer suit is designed to be waterproof and windproof, ensuring maximum protection against the elements while maintaining superior warmth.
